

HONORING THE STE. GENEVIEVE COUNTY MEMORIAL HOSPITAL AUXILIARY

HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2015

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor the Ste. Genevieve County Memorial Hospital Auxiliary and its volunteers before the United States House of Representatives. This group was awarded the Auxiliary of the Year Award by the Missouri Hospital Association at the MHA Annual Conference this year.

These selfless individuals have accumulated over 15,000 volunteer hours this year, with over 11,000 hours in hospitals and over 3,500 hours volunteering in the community. This auxiliary of more than 90 volunteers has also donated more than \$58,000 to the hospital, resulting in seven new hospital beds for their patients. The auxiliary provides services to the community through community health education projects and scholarships to students pursuing health careers.

It is my pleasure to recognize these generous individuals before the United States House of Representatives.

KNOXVILLE NEWS SENTINEL ARTICLE BY FRANK CAGLE—RUMORS OF THE GOP'S DEATH EXAGGERATED

HON. JOHN J. DUNCAN, JR.

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2015

Mr. DUNCAN of Tennessee. Mr. Speaker, almost every week, Frank Cagle writes a thoughtful, intelligent, even courageous column for the Knoxville News Sentinel.

In his column of December 2nd, he wrote: "Some of us don't think it's a bad thing that people who are here illegally and are not citizens cannot vote."

I admire Frank Cagle for his willingness to speak out on matters of national importance, and I would like to call to the attention of my Colleagues and other readers this and other columns he has written for the Knoxville News Sentinel.

RUMORS OF THE GOP'S DEATH EXAGGERATED

Last week Hillary Clinton announced she would no longer use the term "illegal immigrants." I can understand a Clinton's aversion to the word illegal, but it will be hard for a president to get control of the border if she doesn't recognize that unauthorized entry into the country is against the law. During the Democratic debate she refused to say the words "Islamic terrorism." It's hard to see how a commander in chief can win a war against our enemies when she's too timid to call them what they are.

I spent Thanksgiving with a houseful of young adults. They are all voting for Bernie Sanders in the primary. What do they do in the general when Clinton is the Democratic nominee? I suspect they will stay home. If the Democrats think they will turn out the young people who voted for President Barack Obama to vote for Hillary, they are delusional.

I keep reading about how the Republicans are doomed. Republicans can't govern. De-

mographics will make the Republicans a minority party in the future.

Did you notice the recent election in Kentucky? Obama has done to the Kentucky Democratic Party what he has done to the Tennessee Democratic Party—damaged it almost beyond repair. A tea party guy, behind in all the polls, defeated a popular Democrat by 10 points. And Democrats down ballot got hammered. Tennessee Republicans have a supermajority in the Legislature, the governor, two U.S. Senators and seven of nine Congressmen.

Tennessee and Kentucky are not alone. Since Obama has been president, the Democrats have lost over 900 seats in state legislatures, 11 governorships, 13 Senate seats and 69 House seats. Tell me again about the demise of the Republican Party.

Democrats believe that if the Republicans nominate Donald Trump, then Clinton is the next president. Why? Who is closer to the majority opinion of the American people? Trump's bellicosity on immigrants, his anti-Muslim rants and calling for bombing the (you know what) out of ISIS? Or Clinton, who can't bring herself to even identify the perpetrators?

The dire predictions about the Republicans becoming a minority party because of the growing Hispanic vote? If you don't grant amnesty and make all illegal immigrants citizens, they can't vote. Some of us don't think it's a bad thing that people who are here illegally and are not citizens cannot vote.

Go down to the courthouse sometime and watch legal immigrants being sworn in as citizens. Talk to them about the hoops they jumped through in order to become a citizen. Then ask them how they feel about people who want to jump the line.

Americans are tired of political correctness. In the words of the crazy anchor from the movie "Network," they are mad as hell and they aren't going to take it anymore. It's the kind of attitude that fuels the Trump phenomenon. With the fading of Jeb Bush, the establishment seems to be turning to Marco Rubio to stop Trump. The author of an amnesty bill.

Good luck with that.

HONORING DR. BRAD DREXLER, M.D.

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2015

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Dr. Brad Drexler for his leadership, commitment and determination over a decade to update the Geographic Practice Cost Index (GPCI) system in California and abolish the flawed Sustainable Growth Rate (SGR).

Medicare's GPCI system pays physicians based on the cost of providing care in their geographic region. However, since 1997, the Medicare geographic payment localities have not been updated, leading many Sonoma County physicians to be underpaid. This problem was exacerbated by concurrent flaws in the SGR.

Since 2000, Dr. Drexler has been a tireless advocate for GPCI and SGR reforms. His proposed changes would update payment localities for physicians, and improve access to high-quality care for all Sonoma County residents. Dr. Drexler led a nationwide letter campaign, encouraging Congress to consider

funding the proposed changes while writing articles to keep peers informed of his efforts. Those efforts ultimately paid off, as the geographic payment system has been updated and the SGR has been eliminated. Dr. Drexler was essential to that progress.

Leading by example, Dr. Drexler has been active in the Sonoma County Medical Association (SCMA) and the California Medical Association (CMA) for 29 years. He has served as chair of the government relations committee, as a member of the board of directors at the SCMA, and as a delegate to the CMA. As a civic role model, philanthropist, political activist, and medical professional, Dr. Drexler's work has placed health care for all Sonoma County residents in safe hands.

Mr. Speaker, it is appropriate at this time that we acknowledge Dr. Brad Drexler for his extraordinary work.

OUR UNCONSCIONABLE NATIONAL DEBT

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2015

Mr. COFFMAN. Mr. Speaker, on January 20, 2009, the day President Obama took office, the national debt was \$10,626,877,048,913.08.

Today, it is \$18,827,322,966,908.80. We've added \$8,200,445,917,995.72 to our debt in 6 years. This is over \$8 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.
